Missions for July: Emmaus Ministries

Please uphold these people and ministries in prayer.

Read more about them - See bulletin board in the foyer

More complete information for all missions is on bulletin board in the library.

Roy & Tracey Kosin – “Roy teaches Bible and Theology at Emmaus Bible College as well as being involved in student discipleship and mentoring both personally and in college related curriculum that allows for his interaction and teaching of every student at Emmaus. Tracey assists in student interaction by facilitating students in their home and being available for discipleship of young ladies at the College. Tracey also teaches high school math part time at the local Christian school (TriState Christian School) and is able to encourage these students to seek the Lord in all areas of their lives. Please pray for them as they need wisdom and insight in advising and instructing through exhortation and encouragement of the next generation of followers of the Lord Jesus. Also pray for Emmaus Bible College that the Lord will provide the right students for the school and increase the enrollment that the facilities that the Lord has provides will be used to their maximum capacity. You can be a part by not only praying but encouraging young people to consider attending Emmaus Bible College for a valuable professional degree as well as a Bible degree. Roy and Tracey are also involved in various ways at Anchor Community Church in Dubuque.”

Emmaus Bible College – is a private Bible college in Dubuque, Iowa. It offers double majors in both professional and biblical studies. The mission “as a biblical higher education community is to glorify God by educating and equipping learners to impact the world for Christ through faithful and effective service in their ministries, professions, and communities.” The vision is “Emmaus Bible College will be flourishing, relevant, and accessible as a trusted name for transformational learning rooted in biblical truth.”

Emmaus Correspondence School (ECS) - All over the world, people are using Emmaus courses to learn how to, first of all, establish a personal relationship with God through faith in His Son, Jesus Christ, and then how to grow in their faith, applying biblical truth to their lives. ECS Courses are distributed to those incarcerated both pre and post trials, in Baltimore through John Plasterer, with the Greater Baltimore Jail & Prison Ministry.
