Missions for July: Emmaus Ministries

Please uphold these people and ministries in prayer.

Read more about them - See bulletin board in the foyer

More complete information for all missions is on bulletin board in the library.

Roy & Tracey Kosin - For the past ten years, Roy taught Bible and Theology at Emmaus University as well as disciplining and mentoring students with support from Tracey. This summer Roy and Tracey relocate to Audubon, IA to support their daughter, Jennifer, and her husband in their ministry with Village Missions. Village Missions is an evangelical ministry that's purpose is to "glorify Jesus Christ by developing spiritually vital churches in rural North America."

Please pray for Roy and Tracey as they transition to Audubon—that they would find employment, settle in smoothly, and be guided in their service to the Lord.

Emmaus University - is a private Bible university in Dubuque, Iowa. It offers double majors in both professional and biblical studies. The mission "as a biblical higher education community is to glorify God by educating and equipping learners to impact the world for Christ through faithful and effective service in their ministries, professions, and communities." The vision is "Emmaus University will be flourishing, relevant, and accessible as a trusted name for transformational learning rooted in biblical truth." Pray for Emmaus University that the Lord will provide the right students for the school and increase the enrollment so that the facilities that the Lord has provided will be used to their maximum capacity. You can be a part by not only praying but encouraging young people to consider attending Emmaus University for a valuable professional degree as well as a Bible degree

Emmaus Correspondence School (ECS) - All over the world, people are using Emmaus courses to learn how to, first of all, establish a personal relationship with God through faith in His Son, Jesus Christ, and then how to grow in their faith, applying biblical truth to their lives. Locally ECS Courses are distributed to those incarcerated both pre and post trials, in Baltimore through John Plasterer, with the Greater Baltimore Jail & Prison Ministry.
