Missions for March: High School & College Ministries

Please uphold these people and ministries in prayer.

Read more about them - See bulletin board in the foyer

More complete information for all missions is on bulletin board in the library.

Ian Stout - working with Young Life Baltimore County East – the mission is to introduce adolescents to Jesus Christ and help them grow in their faith. Ian goes where adolescents are, in and around their schools and local community. He builds relationships with them, walks through life with them, and earns the right to share the gospel of Jesus Christ with them. He also works with Christian students in the schools encouraging them in their work in the harvest fields that they too might bring others to relationship with Jesus.

Mark Palmer – evangelizing with CRU in North Carolina. Mark organizes and oversees evangelistic and discipling activities focused on university staff and students in North Carolina campuses. Mark also keeps contact and encourages CRU staff in a Central Asia part of the former USSR.

Jaron and Sophie Williams - are serving with Word of Life Fellowship in Zgierz, Poland, with a focus on evangelism and discipling youth. They are also teaching English in multiple ministries, including English4Life, English Cafe, and soon in the surrounding public schools. The Williams arrived in Poland on January 29th, 2026, and jumped right into a week of Winter Camp for teens!

Jaron and Sophie requested prayer for the upcoming April semester of English4Life, a residential English-immersion program for post-high school students. Please pray for the Williams as they take Polish classes. Lastly, pray for the connections they will be making and for all the discipleship.

Jaron and Sophie send their love and thanks to you all!

Christian Missions in Many Lands—Missionary Videos

Christian Missions in Many Lands (CMML) is a missionary service organization facilitating the support of missionaries commended by churches like Forge Road Bible Chapel (FRBC). CMML provides updates about CMML activities and periodic, informative, short videos featuring various missionaries. You are invited to get these communications by registering at [CMML.us/updates](https://www.cmml.us/updates).
